From: Mertice Evans 
U.S. Pretrial Services Officer

cc: Joseph Minish
Assistant U.S. Attorney

Robert C. Scrivo
Defense Counsel

Date: April 14, 2014

Re: Lajewski, Wayne
Docket #: 14-CR00196-001

Results of drug test:

On April 9, 2014, the above named defendant tested positive for the presence of barbiturates and benzodiazepines.

Action requested:

☐ The condition of drug testing and treatment is already in place and Pretrial Services will continue to test and treat this defendant.

☐ We recommend no further action by the Court at this time.

☒ Pretrial Services requests that the additional condition of Pretrial Services supervision with drug testing and treatment as deemed appropriate by Pretrial Services be ordered by the Court. The Assistant United States Attorney and defense counsel have been notified and they have no objection to the same.

Honorable Stanley R. Chesler
United States District Judge
